Re: Complaint filed by Dr. Rita Ramirez, candidate for California's 8th Congressional District (CD08), alleges violation of the Federal Election Campaign Laws by Marjorie "Marge" Doyle, candidate for California's 8th Congressional District (CD08). California's 8th Congressional District (CD08) is located in the eastern portion of San Bernardino County and includes all of Inyo County and Mono County.

Dear Chair, Federal Elections Commission:

This complaint alleges that actions committed by Marjorie "Marge" Doyle, knowingly and willfully, were of an illegal and criminal intent for the purpose of securing the public vote on June 5, 2018, of the California Primary Election for the 8th Congressional District. These five actions of violations committed by Marge Doyle will prove:

- 1) Up to and on February 24, 2018, at the California Democratic State Convention in San Diego, CA, Doyle committed an illegal and criminal act to control the CD08 endorsement process by rewarding persons' monetary expenses to cast a vote for Doyle to be the endorsed candidate. This is called "vote buying," a corrupt election practice under violation of 42 USC§ 1973i(c) and Title 18, United States Code § 597.
- 2) Violations to discriminate on the basis of culture, heritage, or language is in violation of Voting Act of 1965, the 14th Amendment of the United States Constitution, and United States Code Title 18, Section 242.
- 3) Improper reporting of campaign contributions in violation of Title 52, § 30104(b)(3)(A), which requires all candidates to list each contribution separately from a combined amount received.
- 4) Failure to disclose PAC contributions in violation of Title 52, § 30104(i)(1), which states actual contributor must be listed on Schedule A.
- 5) Alleged potential receipt of contributions from a foreign national is in violation of Title 52, § 30121, whereas, no contribution from outside United States or foreign country can be accepted.

Violation 1)

Vote Buying – Violation of 42 USCS) 1973i(C) and Title 18, United States Code § 597

42 USCS) 1973i (c): In the U.S. vote buying is an offence when a person knowingly or willfully gives false information or conspires with another individual for the purpose of encouraging his false registration to vote or illegal voting, or pays or offers to pay or accepts payment either for registration to vote or for voting shall be fined not more than \$10,000 or imprisoned not more than five years, or both. This provision shall be only applicable to general, special, or primary elections.

Title 18, United States Code Section 597, expenditures to influence voting states, "Whoever makes or offers to make an expenditure to any person, either to vote or withhold his vote, or to vote for or against any candidate; and whoever solicits, accepts, or receives any such expenditure in consideration of his vote or the withholding of his vote— shall be fined under this title or imprisoned not more than one year, or both; and if the violation was willful, shall be fined under this title or imprisoned not more than two years, or both."

The 2018 California Democratic State Convention was held February 23-25, 2018, at the San Diego Convention Center, San Diego, CA. where the process took place to ratify candidate endorsements and endorse candidates for statewide elections. The convention was attended each day by Dr. Rita Ramirez and, by Ramirez' personal knowledge, attended by Marge Doyle. On February 24, 2018, California State Congressional Endorsement Caucus for the CD08 took place at the convention with Ramirez in attendance. Based on information and belief, the complainant alleges that Doyle "illegally" paid delegate fees of eligible delegates who could not attend, recruited and paid for delegate proxies to attend in order for delegate proxies to vote for her in the endorsement process. The "buying of votes" for proxies registration, meals, transportation and lodging in exchange for favorable endorsement votes is illegal and a crime in North America since the 1860s.

Dr. Ramirez through information and believe as communicated by her Campaign Manager, Denise Wells, on February 25, 2018, Sunday morning, that on Saturday, February 24, 2018, while attendees were waiting for the ballot count, Roger La Plante, an eligible delegate and Marge Doyle supporter, remarked to Denise Wells "Marge has put out a whole lot of money to get the proxies here." Denise stated she observed that Roger was there with his lady friend who was wearing a delegate credential badge bearing the labeled name of a known delegate that was not in attendance, and convention rules reflect that the wearer sign their name as the proxy for the absent delegate. By observing this and hearing the remark made by Roger, Denise believed his statement to be a true fact. This is when Dr. Ramirez, based on information and belief, became aware of Doyle's illegal and criminal actions to buy and pay for the Primary Election endorsement votes.

Based on information and belief developed through inquiries and research, it became known that proxies were solicited and two Doyle supporters had posted on Facebook. One Facebook post dated February 21, 2018, by Natalie Brown announced in detail that Marge was seeking proxies for delegates and that listed amenities would be taken care of. A second Facebook post

dated February 21, 2018, by Resa Barillas (a known Doyle supporter) stated seeking two delegates with registration, lodging and transportation covered. This is to be considered as evidence of Doyle's offer to recruit and pay proxies expenses to attend the endorsement caucus to vote her Doyle.

See attached Facebook post by Natalie Brown (Exhibit #1- one page) and Facebook post by Resa Barillas (Exhibit # 2 – one page).

On March 1, 2018, Dr. Ramirez, challenged the Endorsement Caucus results of February 24, 2018, to the CDP alleging the proxies for the 8th Congressional District were both recruited and "paid for by Marge Doyle as a part of her campaign" actions that "violate the principles and By-laws of the California Democratic Party and the Federal Election Act." The challenge was emailed from Dr. Ramirez's email address: which Dean is a legal name of Dr. Rita Ramirez.

The response by email, March 4, 2018, from former CDP Executive Director Chris Myers stated that "paying the dues and/or registration of delegates or their qualified proxies is not against the rules." Mr. Ron Cohen, Second-Vice Chair of the San Bernardino County Democratic Party (SBCDP) Central Committee, on behalf of Dr. Ramirez, on March 5, 2018, responded and replied that this offer by Doyle to pay for housing, transportation and meals was "vote buying" which is "any reward given to a person for voting in a particular way or for not voting" and violates federal election law.

See attached challenge by Dr. Ramirez dated March 1, 2018 (Exhibit # 3 – one page); CDP email decision by Chris Myers, dated March 4, 2018 (Exhibit #4 – one page); response by Ron Cohen dated March 5, 2018 (Exhibit # 5 – one page).

According to a memorandum dated March 12, 2018, from the California Democratic Party (CDP) Compliance Review Commission (CRC), at the Democratic Convention Endorsement Caucus for the 8th Congressional District, Doyle received 28 votes, over half were proxies who had been paid to vote for her, representing 73.7 percent of the vote and Dr. Ramirez received 10 votes, representing 26.3 percent giving Doyle the CDP endorsement. Because Doyle recruited and paid the proxies, Doyle won; however, without the paid proxy votes, Dr. Ramirez believes there most likely would have been no endorsement for either candidate.

See attached Memorandum from the Compliance Review Commission (CRC) dated March 12, 2018 (Exhibit # 6 – three pages).

Dr. Ramirez requests the Federal Election Commission (FEC) examine the circumstances, evidence and actions taken by Marge Doyle, candidate for the 8th Congressional District, and the CDP to determine whether there is sufficient evidence of "Vote Buying" in violation of 42 USCS } 1973i (c) and Title 18, United States Code Section 597.

Violation 2)

Violations to discriminate on the basis of culture, heritage, or language is in violation of Voting Act of 1965, the 14th Amendment of the United States Constitution, and United States Code Title 18, Section 242.

According to the San Bernardino County Democratic Party Central Committee Executive Board, once a candidate has the majority vote at the Endorsement Caucus, the CDP provides their endorsement and that successful candidate is considered the "official candidate" and the losing

1503747047.78

candidates are expected to withdraw, so the CDP speaks with "one voice." However, this has not been practice since both Antonio Villaraigosa and John Chang are still campaigning for Governor of California as is Senator Barbara Feinstein; all three lost the endorsement of the California Democratic Party. No one has withdrawn and all unendorsed candidates are campaigning. Every candidate, regardless of endorsement, is listed as an official candidate for their respective office by the Secretary of State of California on the voters' ballot for the Primary Election, June 5, 2018. In February 2018, Dr. Ramirez met the candidate requirements of the candidacy fee, required voter signatures, and paid political ballot booklet statements to be printed in Inyo County and Mono County. Dr. Ramirez is listed as a candidate on the official ballot by the Secretary of State of California for the 8th Congressional District for June 5, 2018.

Therefore, Dr. Rita Ramirez was then personally pressured by Marge Doyle, the CDP and the San Bernardino County Democratic Party (SBCDP) to withdraw as a Democratic candidate for CD08. Doyle stated to Dr. Ramirez at the end of the CDP Endorsement Process in San Diego, while still in the room used for the CD08 caucus, Doyle stated to Dr. Ramirez "now that the votes are in, let's unite." Dr. Ramirez replied, "not at all, the race is on." From that point on the CDP and the SBCDP has taken affirmative steps to deny Dr. Ramirez the right to speak at Democratic Clubs and/or events sponsored by the CDP. Due to the illegal and criminal acts of Marge Doyle's, buying of endorsement votes, Dr. Ramirez, listed as the unendorsed candidate, has been denied the Rights of Speech and Assembly as guaranteed by the United States Constitution, the Supreme Law of the Land. Dr. Ramirez is the first Hispanic to ever run for CD08; this presents a question of discrimination since she is also the only Hispanic on the Primary Election Ballot for CD08 on June 5, 2018. Dr. Ramirez is a retired college professor of 38 years, third-generation Californian, and the Ramirez family has been California residents since the year 1900.

Furthermore, Dr. Ramirez requests the FEC determine if the Voting Act of 1965 has been violated on the basis of culture, heritage, or language. United States Code Title 18, Sec. 242 states: Whoever, under color of any law, statute, ordinance, regulation, or custom, willfully subjects any person in any State, Territory, Commonwealth, Possession, or District to the deprivation of any rights, privileges, or immunities secured or protected by the Constitution or laws of the United States, or to different punishments, pains, or penalties, on account of such person being an alien, or by reason of his color, or race, than are prescribed for the punishment of citizens, shall be fined under this title or imprisoned not more than one year, or both; and if bodily injury results from the acts committed in violation of this section or if such acts include the use, attempted use, or threatened use of a dangerous weapon, explosives, or fire, shall be fined under this title or imprisoned not more than ten years, or both; and if death results from the acts committed in violation of this section or if such acts include kidnapping or an attempt to kidnap, aggravated sexual abuse, or an attempt to commit aggravated sexual abuse, or an attempt to kill, shall be fined under this title, or imprisoned for any term of years or for life, or both, or may be sentenced to death.

Dr. Ramirez requests the FEC determine whether the circumstances, evidence and actions taken by Marge Doyle, candidate for CD08, the CDP and SBCDP, are sufficient evidence that Dr. Ramirez's right to run for office of CD08 as protected under the 14th Amendment of the United States Constitution and Voting Act of 1965, United States Code Title 18, Sec.242 has been violated.

Violation 3)

**Improper Reporting of Campaign Contributions –
Violation of Title 52, United States Code § 30104(b)(3)(A)**

Violation 4)

**Failure to Disclose Bundled Contributions –
Violation of Title 52, United States Code § 30104(i)(1)**

Based on Marge Doyle for Congress filings with the FEC by Marge Doyle campaign, specifically the Schedule A (FEC Form 3) for the period of October 1, through December 31, 2017, there are numerous reports of large campaign contributions being funneled through Act Blue, representing bundled contributions for which each individual contribution over the amount of \$100.00 should have been reported in detail as to the contributor.

The Schedule A (FEC Form 3) indicates on page 5 (line A) that Act Blue contributed \$1,063.00 to the campaign, page 7 (line A) that Act Blue contributed \$5,532.00, page 15 (line B) that Act Blue contributed \$14,188.00, page 38 (line B) that Act Blue contributed \$1,991.00, page 43 (line A) that Act Blue contributed \$2,638.00, page 48 (line C) that Act Blue contributed \$10,382.88, page 68 (line C) that Act Blue contributed \$6,858.95, page 85 (line B) that Act Blue contributed \$10,169.46, page 105 (line A) that Act Blue contributed \$34,343.27 and page 149 (line C) that Act Blue contributed \$53,640.53.

See attached Schedule A (FEC Form 3), (Exhibit # 7 – ten pages)

It is well established that Act Blue is a conduit and is not the actual contributor. While perhaps these bundled contributions may have been under the amount of \$100.00, contributions over \$100.00 should be specifically reported as such on the Schedule A (FEC Form 3) not shown as having come from Act Blue.

The manner which contributions were reported appears to hide and/or conceal the identity of the true contributors in violation of the law, in Violation of Title 52, United States Code § 30104(b)(3)(A) and Violation of Title 52, United States Code § 30104(i)(1).

Violation 5)

**Receiving Campaign Contributions From a Foreign National –
Violation of Title 52, United States Code § 30121**

According to Marge Doyle for Congress filings with the FEC by Marge Doyle campaign, specifically the Schedule A (FEC Form 3) for the period of October 1, through December 31, 2017, pages 113 (line B) and 169 (line A) reflect contributions from Samuel DeFabbia-Kane and reflecting an address in Hong Kong.

See attached Schedule A (FEC Form 3), (Exhibit # 8 – two pages).

Perhaps Samuel DeFabbia-Kane is a United States Citizen who lives in Hong Kong; however, the opposite may be true. Therefore, I request the FEC investigate to determine the facts and whether there was a violation of Title 52, United States Code § 30121.

In conclusion, these allegations against Marge Doyle, candidate for 8th Congressional District, are based on factual knowledge, personal knowledge, and legal documentation.

Sincerely,

Dr. Rita Ramirez, Ph. D.

Hey guys! Marge Doyle (running for Congress) needs our help! Two delegates that were going to the California Democratic Convention this weekend to endorse Marge are unable to go suddenly and her campaign is looking for delegates in our district who can be their proxies! Housing, transportation, and meals will be taken care of so if you are 18 or older and want to head down to San Diego this weekend for a good time (or know two people who do) get back to me ASAP!! I will also be there, as will Resa, Brandon, Arianna and Olivia. Thanks!

ISSUES;

1. The Proxies for CD08 Endorsement Election of February 24, 2018, were not announced during the roll call vote and you could not decipher if the real delegate or a Proxy had voted.
2. The Proxies for the CD08 Endorsement Election of February 24, 2018, were paid for by Marge Doyle as a part of her campaign.

STATEMENTS OF FACTS AND ARGUMENTS

During the Endorsement Election CD08 on February 24, 2018, the convener failed to identify if any of the votes were by Proxy or not. Many of the names mentioned as voting were never seen in the area where the voting was occurring. People, who were very unfamiliar to me, were seen putting ballots into the ballot box.

Secondly, in other Endorsement Elections, the convener clearly states a person's name who was a Proxy and for whom he/she is specifically proxying for which delegate. This was not done at all during the counting, so I was not aware that any Proxies had occurred.

Thirdly, Roger LaPlante approached Denise Wells, who tabulated the results for me, Dr. Ramirez, at the Endorsement Election on February 24, 2018, and he shared with Denise, "Marge Doyle had put a lot of money for Proxies to be here" (referring to Endorsement Election Caucus). Marge Doyle had paid the Proxies to vote for her by either paying them directly or paying for their membership and convention fees. This is not only wrong but also illegal and fraudulent. It violates the principles and By-Laws of the California Democratic Party and the Federal Election Act. Above all, buying a vote is illegal.

Lastly, I request that Proxies be verified and shared with me, Dr. Ramirez, and all Proxies be called and asked if they were paid, either in kind or directly for voting for Marge Doyle.

In conclusion, if this is true and accurate, I request the Endorsement Election results of February 25, 2018, be set aside and CD08 be declared: NO CONSENSUS.

Furthermore, to advance the issues of transparency to be established and since the number is under 50, I request copies of all ballots be provided electronically to me, for my own evaluation and peace of mind. In addition, a copy of the Proxy Authorization be copied and be provided to me, Dr. Ramirez, as well.

Hi Ms. Dean-

I have received your challenge, but based on the two issues cited, there doesn't seem to be any rules that were violated which would be in the jurisdiction of the CRC.

Not announcing the proxies in the roll call vote is something that is not mandated either in our Bylaws or the instructions provided to the conveners. Additionally, paying the dues and/or registration of delegates or their qualified proxies is not against the rules. I would encourage you to contact CDP staff to inspect any of the materials. Please contact Clark Lee at clark@cadem.org or Kasey Walukones at kasey@cadem.org to make arrangements.

Thanks,
Chris

Subject: RE: CD08 Endorsement Election Challenge of February 24, 2018

Chris,

I am writing you on behalf of Dr Ramirez.

Although the CADEM bylaws do not specifically mention that buying votes is forbidden, it is a violation of 42 USCS § 1973i(c). Specifically ***"Any reward given to a person for voting in a particular way or for not voting can be called vote buying. Vote buying is a corrupt election practice. A vote buying bribe is that having a monetary value. The practice of vote buying is banned in United States. Vote buying is a threat to the conduct of fair elections. In the U.S. vote buying is an offence when a person knowingly or willfully gives false information or conspires with another individual for the purpose of encouraging his false registration to vote or illegal voting, or pays or offers to pay or accepts payment either for registration to vote or for voting shall be fined not more than \$ 10,000 or imprisoned not more than five years, or both. This provision shall only by applicable to general, special, or primary elections (42 USCS § 1973i(c))."***

As an example, CADEM bylaws need not specify that killing people is against the law because we know it is. Likewise vote buying is considered a corrupt election practice, and I find it hard to believe that the California Democratic Party finds it acceptable.

Therefore, I ask that the CRC review the allegations, testimony and exhibits made by Dr Ramirez, even though the CADEM bylaws are silent. We would never want anyone to say that the California Democratic Party finds it acceptable for candidates to "buy" votes.

I am also attaching two Facebook clips showing that the Marge Doyle campaign actually did solicit votes by "vote buying".

Thanks so much,

Democratically yours,

Ron Cohen

**Memorandum from the Compliance Review Commission (CRC) dated March 12, 2018 re: Decision of the
CRC Relating to The Endorsement Process for Congressional District 08**

1600444001

MEMORANDUM

TO: All Interested Parties

FROM: Compliance Review Commission (CRC)

DATE: March 12, 2018

RE: **DECISION OF THE COMPLIANCE REVIEW COMMISSION (CRC)
RELATING TO THE ENDORSEMENT PROCESS FOR CONGRESSIONAL
DISTRICT 08**

INTRODUCTION:

On Saturday, February 24, 2018 an endorsing caucus was held for Congressional District 08. At this endorsing caucus, out of 38 valid votes cast, candidate Doyle received 28 votes, which is 73.7% and thus placed on the consent calendar, later ratified by the entire body. The details of the votes cast is below:

Candidate	Votes
Doyle	28 (73.7%)
Ramirez	10
No Endorsement	0
Total	37

In the challenge filed by Ms. Rita Dean, she alleges that the proxies for CD08 Endorsement Caucus of February 24, 2018, were not announced during the roll call vote and one could not decipher if the delegate or a proxy had voted. Secondly, she alleges the proxies for the CD08 Endorsement Caucus of February 24, 2018, were paid for by Marge Doyle as a part of her campaign and those actions violate the principles and By-Laws of the California Democratic Party and the Federal Election Act

DOCUMENTS INITIALLY RECEIVED AND REVIEWED:

Documents received and reviewed by the CRC associated with the challenge included the following:

1. Challenge submitted by Ms. Dean on March 1, 2018.
2. Testimony on behalf of Ms. Dean submitted by Mr. Cohen on March 5, 2018.

TIMELINESS AND JURISDICTION:

According to CDP Bylaws, Article XII, Section 4:

All challenges must be commenced by the filing of a written challenge with the Secretary of This Committee, with copies served on the Chair of This Committee, as well as the appointing person, and the chair of the relevant organization, where

applicable no later than seven (7) calendar days after the alleged violation occurred. Upon a showing of good cause, sustained by unanimous vote, the Compliance Review Commission may waive this requirement.

(All By-Law references are to the California Democratic Party Bylaws, as amended through November, 2017, unless otherwise indicated.)

The filing by Ms. Dean was submitted on March 1, 2018 regarding an endorsing caucus held on February 24, 2018 which was within 7-days and thus the challenge is considered timely.

Article XII, Section 2a states:

"The Compliance Review Commission shall have initial jurisdiction over all challenges and/or appeals arising under Article II (Membership); Article VI (Assembly Districts and Assembly District Election Meetings); Article VII (Executive Board), Article VIII (Endorsements, etc.), Article X (Charters), Article XI (Special Group Caucuses) and Article XIII (General Policies). The Compliance Review Commission shall have jurisdiction to hear and decide any challenge that is initiated before the 42nd day prior to any meeting of This Committee or its Executive Board."

The CRC has jurisdiction under Article VIII (Endorsements) and Article XIII (General Policies).

STANDING:

According to Article XII, Section 3:

"Any party to a challenge must be adversely affected to bring the challenge."

Ms. Dean is a delegate from congressional district 08 and thus has standing to bring this challenge as she was adversely affected.

FINDINGS AND ORDER:

Based upon the above facts and the Bylaws of the CDP, the CRC makes the following Findings and Orders:

- 1) The CRC rejects the request to overturn the endorsement result, as the challenger failed to achieve the standard needed to invalidate the results.
- 2) Consistent with past practice and prior decisions, the CRC finds there is no prohibition on candidates paying the dues, registration, or provide lodging for their supporters.
- 3) The CRC finds that 42 USC 1973i(c) does not apply to voting on internal processes conducted by a political party.

- 10007741017-010
- 4) The CRC encourages Ms. Dean to make an appointment with staff to review the endorsing caucus materials, including reviewing information relating to votes cast by proxies.
 - 5) The CRC notes that once properly credentialed, proxies act with the same authority as delegates and there is no requirement that proxies be announced as proxies during roll call votes.
 - 6) The CRC will forward all testimony submitted to the CRC to the Rules Committee for its consideration in revising the endorsement procedures, as it typically does following each election cycle, in order to improve and clarify any issues that arise during the course of the endorsement process.

Appeal of this order, if any, must be filed with the CDP Secretary, with copies to the Chair of the CDP State Central Committee, within twelve days of the date of this decision. (Article XII, section 6(a).) Thus, any appeal must be filed on or before March 23, 2018 with the Sacramento office of the California Democratic Party, and shall be an appeal to the next meeting of CDP Rules Committee upon conclusion of the response period.

Please note that per CDP Bylaws, Article XII, Section 7b, the filing of an appeal shall not stay any decision of the CRC. Parties may additionally respond in person, if so desired, provided there has been a timely filing of an appeal and notice of intent to testify is provided in writing to the Lead Chair of the Rules Committee by 5 PM on April 4, 2018, at the Sacramento office of the California Democratic Party. The Rules Committee may accept such additional testimony, written or oral, considering the nature and import thereof, as well as the time available for its proper consideration, as it deems appropriate, in its discretion.

Accordingly, this decision is so ordered, and is in effect, unless, and until, a successful appeal is made, decided, and contrary orders made whether by the CRC, or by the Rules Committee. CRC shall retain jurisdiction up until the time of an appeal, if any, is heard by the Rules Committee.

Respectfully submitted by a 6-0 vote of the members of the CRC,

Kathy Bowler, Co-Chair, Rules Committee
Coby King, Co-Chair, Rules Committee
Lara Larramendi, Co-Lead Chair, Rules Committee
Garry S. Shay, Lead Chair, Rules Committee
Keith Umemoto, Co-Chair, Rules Committee
Michael Wagaman, Co-Lead Chair, Rules Committee
